By: Izabella Marchi-Seytan

Hey students, parents, and fellow community members! It’s ATC’s junior class here to inform you about the month of March! This month is important for the juniors. Juniors are now eligible to take their first SAT this March 9th! Registration for this test has closed, however there is another SAT in May that you can register for. If you or your child needs assistance have them speak to Ms. Evans, their counselor. She will be more than happy to assist your child in the process. Their is also a ACT test taking place on April 13th, the registration deadline for that test is March 8th. You can either pay for the test or use one of your two fee waivers, that you receive if you get free or reduced lunch. To obtain this fee waiver, contact your counselor Ms. Evans. If you have any more questions about test dates and prices, you can visit the college board website.

Ladies get ready to ask that special someone to Sadies! We are taking it back to the 80's with our Grease theme. Sadies will be held on campus this year March 8th from 7:00pm - 10:30pm and tickets will be $6 per person. Milkshakes, burgers, and fries will be sold.
In the past few months our clubs have done multiple exciting activities with our students here at ATC. Friday Night Live (FNL) recently took a trip to YMCA’s Camp Marston with 21 of the club members on January 26th-27th. The trip was a Youth Development Institute hosted by the San Diego County. The purpose of the camp was to provide the youth with good leadership skills in order to live their life without the use of any type of drugs. During the camp the students socialized with the other school’s who had an FNL club, workshops were based off the harm of drugs & alcohol use, and icebreakers/games. The students were attentive and aware of what the best choices were to be made in life while listening to inspirational speakers. Afterwards everyone left with the motivation to live a healthy life, thanking the San Diego County for the amazing opportunity.
SUMMER INTERNSHIP OPPORTUNITIES

By: Jessica Gomez

If you’re a girl who’s a sophomore or junior and loves to code— apply to The summer immersion program named, “Girls Who Code.”

APPLICATIONS OPEN NOW FOR SUMMER 2019.
LEARN MORE AT girlswhocode.com

* Stipends of up to $1400 are available to cover transportation, living expenses, and more for qualified students. The content of these materials does not reflect the endorsement, sponsorship, position or expression of the Plano Independent School District.
Keep a lookout if you want to apply for the summer nutrition program at City of Hope. Application opens during March!

Summer is approaching, and summer internships/programs are super important. Make sure you apply to any programs that you’re interested in. Not only will it look good on your college application, but you will be involved and actively engaged in something you’re interested in. If you’re scared about applying, I’m here to remind you, you’re good enough. Go apply and show them what you offer!
